AS usual, only as new and latest paperback books accepted.

If anyone has any travel guide books, these would be very welcome as we now look forward to this year's holidays.

I would like to thank Andrew Butler who donated three brand new puzzles on behalf of his late father, Paul Butler. They were really appreciated.

My thanks as always goes out to all our members who have donated over the past year, as without you our library would not be so well stocked.

Looking for something to do on those cold, wet winter afternoons? Why not come along and have a go at Mahjong! Enjoy a sociable fun Thursday afternoon and you can make it as easy or brain taxing as you choose.

For an easy game try Gertie's Garter: 1-7 in two different suits. For something a bit harder you could try Green Jade: a pung of Green Dragons with 3 pungs

and a pair of Bamboos (this hand is exposed which makes it easier to collect the pungs). If you really want to tax your brain have a go at The Professors: 3 mixed chows, one of each dragon and a pair of your own wind.

Meetings – 2.00pm Monday 10, 24

Meeting in February on Mondays 10th and 24th starting promptly at 2.00 pm.

The new music year for the group kicked off with a bang on 13 January afternoon. First to play, Bob chose a diverse selection of popular tunes from times past; mainly swing with a seasoning of light opera.

David [the other "Jones boy"] entertained with vocal and guitar reminding us of "top of the pops" hit tunes of the sixties.

After tea, Mike played medleys from musical theatre including a brief visit from "Elton" playing Circle of Life.

Friday Live, back on 6 January, enabled the "regulars" to refresh and newcomers to socialise and enjoy the music. David Jones was in excellent form on keyboard after a few weeks rest to "recharge".

Friday mornings feature live music providing a facility for friendly, relaxed chatter. Everyone welcome from 10.30am. to 12.00pm.

Our audio / visual presentations are split between Christchurch and Highcliffe Libraries and held on Thursday afternoons, usually once a month. The presentations start at 2.30 p.m., and last for about an hour, followed by refreshments. The cost is £2.50 for members of Friends of the Library, and £4.50 for non-members, and it is recommended that bookings be made through each respective library (forms to join the “Friends” are available in the libraries). A list of our 2020 talks is on the notice board near the disabled access door.

Our next presentation will be in Christchurch library on Thursday, 13 February, entitled “Cold War and a Hot Place”, when Stephen Robson, who is associated with several aviation

groups in the vicinity, will be telling us about his journey from being an aspiring pilot to an RAF engineer, which should prove very interesting. Hope to see you there.

New prescription system.

Highcliffe Medical Centre along with all GP practices around the country will roll out electronic prescribing for all patients – meaning patients will no longer have to hand in a physical copy of their prescription to chemists.

Instead, medication details will be sent directly from doctors to a local pharmacy nominated by the patient where it can be collected after the patient gives their name and date of birth.

Patients, however, will retain the option to still have a paper version which will include a digital barcode and may be taken to any pharmacy.
