Linda (271604)

Your Executive met on the 8 Sept. 2020 to further assess our ongoing plans for re-opening Greystones. At this meeting we formally elected Cliff Putterford as our Acting Chairman and all the existing members of the executive remaining in place moving into the new Charitable Incorporated Organisation from 1 October 2020. We made tentative movement to being able to hold an AGM for all members to attend when these appointments could be ratified by the whole membership.

The re-decoration of the building and the extra work identified was completed by 25 September. This includes extra painting and the sanding and re-varnish of the floor in room 2. When this was all completed a deep clean of the building took place by members of the executive. It should be remembered that all through lock-down your executive have been busy working behind the scenes managing your association.

We had anticipated being ready to open during October 2020 but the government announcement on the evening of 8 Sept means we will have re-assess the situation along with our plans for an AGM which will have to be postponed even further.

We are continuing with our plans to ensure that we will be ready to open when the legislation and guidelines allow. As part of this planning a

questionnaire has been sent to all sections seeking their input to enable us to move forward. Replies have been requested by the end of September.

To add to the repairs/improvements already being completed the heavy rain in late August has led to two roof leaks which now need attention which are also being planned for but with a building of our status is not an easy or cheap job. Also while investigating ceiling damage in Room 1 it became obvious that work needed to be done on the large bay window, if it needs a total replacement, which we are actively investigating this will be another very expensive job.

The Ladies' Forum coffee morning was held at the Cliffhanger on Friday, 11 September. It was a warm and sunny day and we were able to sit outside. The Committee were delighted that, with us, a total of twenty-three members came and everyone seemed relaxed and happy. We were pleased to be joined for a while by Tony Mumford, President of HCA, who came to give us his support. We would love to do it again but will have to work out how, now that Boris has imposed a new "rule of six". If any member reading this is not already receiving regular "keeping in touch" e-mails from us and would like to do so, please contact Val on val@orpwood.com with your details.

As with other clubs / societies, we have had to cancel all our talks / events for the rest of the year and will restart, hopefully, in 2021. All the speakers we had booked are willing to reschedule their talk for next year, but at the moment we are obviously unable to set any dates. It is such a shame.

Highcliffe library has now re-opened, albeit with a reduced supply of books. They have also changed their hours, as follows:-

Monday, Tuesday, Thursday & Friday
9.30 – 12.30 and 2.00 – 5.00 p.m.

Wednesday Closed

Saturday 9.30 – 1.00 p.m.

If anything changes we will let you know, but in the meantime we will look forward to seeing you as soon as we can!

HIGHCLIFFE DEMENTIA SUPPORT GROUP

Contact – Sally Palmer (07541 331881)

We are a totally independent group serving anyone in the Christchurch area with any kind of dementia together with a friend or carer. There is no charge for joining but we do ask for a modest payment towards expenses and refreshments when you are present.

Our leader has a wide experience of nursing and is herself a carer. She can discuss any queries you have in private.

We meet at St Mark's Church Library in Hinton Wood Avenue, Highcliffe, from 2.0pm until 3.45 pm on the first and third Wednesdays of each month. It is a warm and comfy venue and parking is free. There is always plenty of fun and laughter in the room.

The programme is very varied and there is a chance to make new friends over refreshments. Why not give us a try?

To help Highcliffe Medical Centre Staff get through this pandemic listed below are some suggestions on how patients can help.

- Use e-Consult – available through the practice website (this is a system where patients email their medical query in, and a doctor responds via email) – to avoid visiting the surgery and to enable the surgery to handle queries more efficiently.

- You may be offered a bookable telephone appointment. This frees up clinicians face to face time and lowers any risk.

- Continue to phone the surgery if you are ill with a condition other than Covid-19. Triage is still available through the practice for emergency illnesses other than Coronavirus. Patients can phone in the normal way - but should be prepared for a slightly longer wait to get through any recorded messages and phone queueing. Be reassured you will get through.

- Patients should not sit and wait out an illness, trying to be helpful by staying away. A delay in treatment can result in you later becoming seriously ill, which will put even more strain on the NHS. By staying away you are not always helping the NHS by not talking to a clinician.

- Use the wide range of NHS services correctly if you are ill. These services have been designed to reduce strain on frontline services by encouraging patients to self-serve, or to seek support from the right NHS service (such as pharmacists, or walk-in centres).

- Use the NHS 111 online Coronavirus service if you are worried that you may have Coronavirus. Only call 111 if you cannot get online, your symptoms worsen or have been instructed to. Lastly call 999 if you believe someone's life is at risk.

HIGHCLIFFE THEATRE GROUP

- BEFORE 6PM PLEASE

As this difficult time continues, we hope all Greystones members are well and please be assured that the Highcliffe Theatre Group is still very much alive and the committee are working hard on your behalf. We are constantly in touch with theatres and they keep us posted as to what is happening and what plans they have in the next few weeks/months/years ahead even. We pass that news on to our members.

The Chichester Festival Theatre and the Mayflower are streaming online broadcasts are both rescheduling shows for 2021 and 2022.

The Bournemouth Symphony Orchestra are presenting a programme of 12 concerts this

autumn and they will all be available to watch from home, via digital livestream, with Kirill Karabits, the Chief Conductor. The programme is amazing and, for a seasonal subscription, you will have access to all 12 concerts and free access to all pre-concert talks and a concert programme. All from the comfort of your own settee.

You are still able to watch Andrew Lloyd Webber "The Show Must Go On" (YouTube) and we are told a new season will start shortly. Please also search "The Show Must go on – Shakespeare "- and you will find all of Williams Shakespeare's plays being performed. Even though we cannot travel, we can watch such a lot from our home. The theatres and concert halls are trying so hard to survive, we must do all we can to help.

If you live in Highcliffe or Friars Cliff and are not a member, then now is the time to join. We have already celebrated over 50 years of visiting theatres and concert halls and, despite this current set back, we have plans for at least another 50.

Call Celia on 01425 272566, before 6pm please – and join our Group – you will be very welcome.
