Chairman's Report

May 2023

Spring has sprung and with it comes our annual renewal of membership and hopefully some warmer weather.

Membership

As you may have seen via e-mail/posters and on the web site, following various discussions the Trustees have decided that the renewal fee will remain at £10. This is despite a member's proposal at the AGM that it should increase to £20 and is in recognition of the fact that the cost of living continued to increase after that proposal was accepted. I hope this decision meets favourably with members.

Along with increased activity in promoting HCA, increased fundraising efforts and assuming a continued increase in membership numbers we will continue to review the income against the increasing cost of running the HCA.

Renewal is due on May 1st, and we will have a special renewals desk open from Tue 2nd May to Fri 12th May inclusive specifically for renewals.

Along with the renewal form there is a page of questions in the form of an anonymous survey. This will be completely anonymous (there is reference to membership no. if you choose to give it) this will allow us to target our fundraising and activity in regard to promoting HCA. It would be most appreciated if you could spend a couple of minutes completing it when you renew your membership. Thank you in anticipation.

Fundraising

The subcommittee held their 1st meeting on Friday 10th March. Norma led the way using information provided by the Treasurer. This set out some tasks for the members to complete ahead of the next scheduled meeting (Fri 28th Apr) so she can pursue a number of avenues to which she has already opened gateways.

If your section has a specific need for funds, please send details to Norma so she can look for potential donators.

Highcliffe Parish

Following the Open house meeting with Andy Martin it is our intention to run series of similar events covering all aspects of living, both personal and community. If you have ideas for what subjects, you would like to see covered please let me know.

Sections

Photography – As you will see in the section update the Photography group is now back up and running. There is plenty of space for more members who would be welcomed with open arms by Jeff Palmer (07970608011), who has kindly volunteered to administer the group.

Notices

You will see elsewhere in this newsletter a tribute to Don Nichols following the incredibly sad news of his passing.

We have also been informed by the family of Daisy Winterton, who had been a long established and active member up until about 2018 when poor health limited her visits, that she sadly passed away recently. I have details of her funeral scheduled for Friday 12th May. If you knew Daisy and would like to attend, please let me know. I look forward to seeing you at Greystones, in the meantime, enjoy our wonderful facilities.

Don Nichols - In Memorium

As many of you will already know, Highcliffe Community lost not only a truly wonderful gentleman but also a stalwart member of Highcliffe Community Association when Don Nichols sadly passed away on 30th March 23.

Don had battled several ailments for some time, yet he continued supporting HCA; running and playing at Friday Live, continuing to run his treasured 'Rockin Robins' singing group and being involved and supporting HCA in any way he could.

It goes without saying that he will be sadly missed by his many friends and will remain in our hearts for as long as we and the Association continues.

We wish Chris and the family our love and support at this time and look forward to the time when hopefully, she (and they) will feel able to continue his legacy here at Greystones House.

Whilst we all share in the sadness of his passing, I am sure you will join me in remembering the many good times we shared with Don, and we will do all we can to support Chris as she adjusts to life without her beloved husband.

Cliff Putterford
Chairman

Membership Renewals- additional information

Clearly fundraising is the key to keep our Association viable in these challenging times so in line with the requirements of bodies likely to offer us financial support this years Membership forms for New members and Renewals will be asking for a couple more bits of information related to our fundraising efforts. Specifically:

- Year Born
- Nationality
- Do you have a disability
- How did you hear about us (Greystones/Highcliffe Community Association (HCA))

This information will help us greatly when we are applying for funding to Grant Makers, Local Authorities and Philanthropic groups as they all ask for detailed demographics of the membership before awarding funds to Charities.

All information divulged by yourselves is strictly private and is covered by our Data Protection.

Your support in completing this information on forms will be much appreciated. Thank you in anticipation.

Highcliffe Food Festival

The annual Highcliffe Food Festival is being held over the weekend of 10th/11th June. To raise funds for Greystones it has been decided to open over the weekend and serve tea, coffee and cakes. MEMBERSHIP

Email:

membership@highcliffeca.co.uk

A reminder that membership renewals will be due from 1 May onwards, and can be done via the website or through reception; the application form this year contains a couple of additional questions which may be used by our fundraiser, Norma Palmer, to bid for funding for HCA projects. This extra data will be totally anonymous.

Renewal forms will be available from reception w/c 2 May, on the website (where payment can be made via BACS), and in the May newsletter.

We look forward to receiving your renewals and if you have any questions or concerns please do not hesitate to contact me.

NEWSLETTER EDITOR

Newsletter.editor@highcliffeca.co.uk

Those readers viewing the newsletter either from the emailed version or on the website will be seeing a big change this month. Quite a bit of **COLOUR** on the inner pages! Thanks to Patrick from IT Forum we are now able to have this extra colour yet still print the paper copies using just black ink, without needing to produce two different versions of the newsletter, and therefore saving the Association significant printing costs. More details can be found on p.22 of this issue.

We of course need to make sure the paper copy is still an enjoyable and informative read, so please bear with us if we don't get things quite right to begin with. Any comments to the email address above, as usual, please (or on

paper in the newsletter editor file i.e. the old pigeon hole).

we should be stocking in your New 2 You Boutique.

To all of you who have kindly donated and purchased donated items, we really couldn't do it without you. A special thank you to all our regulars.

If for whatever reason you are not able to get back to us within one week then we respectfully ask that you make contact with me / team so that alternative arrangements can be made.

LIBRARY CORNER

Barbara ()

I hope all members have found the changes to the library helpful and that you have managed to find what you are looking for with ease.

The main reason for the change around was to make more room for our

ARE YOU INTERESTED IN MAKING MUSIC?

Have you ever wished to play the keyboard but never had time to pursue this wish, or are you a keyboard or piano player wishing to revive your skill or just wanting to find somewhere to practice? If so, HCA's own music studio, the Minto room, could provide the answer. This is a self contained studio with two Yamaha keyboards fully installed and ready to go. You may wish to see if keyboard playing is for you or to polish your existing skill. Either way, you would be welcome to try out this facility.

There is no charge; just contact Dave Jones on 01425 611523 and he will be delighted to introduce you to the studio.

Arthur Minto was a keen musician and benefactor of HCA. His legacy was responsible for funding this facility which he wished to be available to all members with an interest in keyboard playing.

paperbacks but as our members are so generous with donations, the shelves are filling up again very fast.

Don't forget that under the 'Trust Box' are 'Books for Sale'. These are books that are now surplus to requirements and are for sale at 20p per item. There

are also a few jigsaw puzzles below the books that are for sale also at 20p each. **Please do not return these For Sale books to the library as they are for you to buy and keep.**

At the moment I only need donations of as new and latest paperbacks. Unfortunately due to space issues, I am unable to accept other items.

If you have any travel guides, they would be appreciated. Please have a look at this section as why buy an expensive guide book when you can borrow one for only 20p.

If you are a new member and are not sure of how the library works, there is an updated '**HOW TO USE THE LIBRARY**' leaflet on the round table - please help yourself to a copy. A copy of this is also framed above the 'Trust Box'.

My thanks as always go out to all our members who have donated items to the library in the past month as they are so appreciated.

Meetings – 1.45pm 2nd Friday each month. New Members welcome.

After a most enjoyable talk by John Lewis on Local Views, with superb photographs and videos, the Ladies' Forum AGM was held. It was well attended. Our Chair reported that speakers had been booked through to March 2024. We were sorry to learn that Margaret, a long-term Committee member who had held various posts, had decided to resign. She was presented with a thank you card and bouquet. Increasing costs, particularly for speakers, had meant that finances

were running low. However, two enjoyable coffee mornings had now been held, and others planned, in members' homes. Entry fees and modest "bring and buy" tables had done much to improve matters. The monthly meeting subs. would be £4.00, £4.50 for visitors, from May when members could re-join for the coming year.

Our 12th May speaker will be Ian Schulz talking about "A Desert Adventure, Namibia" and a coffee morning will be held on Tuesday, 30th May

Meetings - 1.30pm Thursday weekly

Spring is here at last, now all we need is for the weather to warm up a bit! The Mahjong sessions are proving very popular and all our newcomers are thoroughly enjoying themselves and progressing really well with trying out various different hands in the book.

With Spring in mind a really tricky hand to try is Lily of the Valley - a pung of green dragons and a pung of white dragons with two pungs and a pair of green bamboos, i.e. numbers 2, 3, 4, 6, or 8. This hand is exposed, which always helps, (page 52). Another hand which you really need to start with quite a few winds or dragons and a run of numbers is Hachi Ban – 3 pairs of winds or 3 pairs of dragons with a run of 1-7 or 2-8 in any one suit (page 25). Maybe an easier hand would be Dragon's Breath - one of each dragon with any dragon paired and five pairs in any one suit (page 24).

New members are always welcome whether the terminology has made you curious or you have played before. We only play for fun as we can get more games in that way! It is amazing how quickly the time flies by especially with a tea break in the middle.

Meetings – 2.00pm 2nd & 4th Mondays
(Singing for fun group)

I am sure that by now most of you will have heard the sad news about Don. He passed away peacefully in Bournemouth Hospital on the 30th March. The funeral was held privately with just close members of the family present. He is irreplaceable. We owe so much to him in making Rockin' Robins such a successful group. Members have been queuing up to join

! He made our sessions such happy affairs with his fun and lightheartedness. We were fortunate to have someone so talented with music. We are very fortunate to have David, who very willingly has stepped in to help us out. We're not too sure how long he will be with us as he has plans to move house. It is very important that we try to keep Rockin' Robins going as it is such a popular group and I know that many of you enjoy the social side of the group as well SO it is a big thank you to David for helping us out I would also like to take this opportunity to thank Hazel who does such a lot of the background work to keep us going. It needs the two of us to keep the show on the road.

End of April, beginning of May is the time to renew your membership or to join the association if you haven't already done so. The 24th April we will be handing out the forms for you to fill in and return to Greystones with your £10 annual fee. Hazel and I will be at Greystones at the following times if you can manage to call in then for us to do your renewal:-

Friday, 28th April 10am - 12 noon
Wednesday 3rd May 10am -12 noon
Friday 12th May 10 - 12noon

Printing the Newsletter

For readers viewing the newsletter on-line, either the emailed version or on the website, you will notice the welcome addition of much more colour to the Newsletter this month. Notices and graphics (and photos in the future) can now be in colour, whilst in the printed version they're still monochrome apart from the front and back covers.

Unfortunately, it's too expensive to use colour on the inner pages of the print version. The slightest use (just one dot) results in pages being charged at a much higher rate, which is significant when printing up to 500 copies of a 20/24 page document.

The Editors worked with the HCA IT Forum to automate the process of preparing the print edition. It was more complicated than might be imagined, but has been reduced to a simple drag-and-drop operation, effectively hiding technicalities from the user (i.e. the people printing the newsletter). For the more technically minded :-

If you have access to the Internet and would like to enjoy the colour version of your newsletter, please consider viewing on-line via the HCA website, or for those who haven't yet done so, maybe request delivery by email. You'll experience the new-look Newsletter in all its full-colour glory.

If you have an IT issue to explore, consider visiting the IT Forum (2nd and 4th Wednesdays of the month, 2-4pm).
