Message from the Chairman

Another busy month with members welcomed back and enjoying the host of activities that we offer at HCA. We have also welcomed several new members. We now have almost 1100 members and so it was disappointing to see only 19 of you, 7 of whom are Trustees, at the Members meeting.

Andy Martin attended the Ace of Clubs meeting and explained that he would like the Highcliffe Associations to become involved in collecting goods for Ukraine. His plan is to establish a collection point at the Old School House on the Lymington Road. There is a very specific list of needs that I will send for publication. To date, we do not have confirmation of the donation dates but if you want to start to think about what you might like to donate, I will post notices on the information boards (outside the kitchen) as soon as I have a confirmed date. The donations will need to be taken to the School House.

The meeting about LPAs was reasonably well attended and the people who were there found it very useful. Tony Ray-Bould stressed that setting up an LPA is often more important than writing a will because it addresses your lifetime rather than just after your death. Some of those attending were surprised to hear the consequences of not having an LPA in place. It was such a useful session that we are thinking of repeating the session in the Spring.

Thank you for your continued support, Meryl

Advisory Council / Members Meeting

Anyone can come along to hear about developments at HCA and put forward any views – positive or negative!

Advisory Council / Members Meeting dates

11th December 2025

CAR PARKING

Please park in designated bays on the Greystones side of the car park when you are attending a Greystones Activity. If you are going to lunch in Greystones Hall, please park your car on the other side of the car park so that people at afternoon sessions at HCA have a parking space. This may mean that you will need to move your car before going to lunch.

Please car share with others; this will help with the parking, your transport costs and the environment!

Thank you

Note: Cliff Top parking is free from November 1st 2025 to March 14th 2026

SAFETY

There have been a couple of minor slips on the steps to the front door of Greystones. For your safety, if you find the main entrance access difficult, please use the ramp.

Thank you

Please could all centre users make sure that they are aware of the emergency evacuation procedures at Greystones displayed in all rooms and in the section leader pack.

- Nearest fire exit and route...and the fire assembly point. The register should be taken outside and everyone checked as having exited the building.
- Rescue waiting area if upstairs and cannot use the stairs (lift not in use in an emergency evacuation).
- Personal evacuation plan if assistance is needed to exit the building.

If you have any queries contact

Pauline.pegawai@highcliffeca.co.uk or ring 07702198809

Zero Tolerance Statement

Unfortunately, some of our receptionists have been upset by the conduct of some members in relation to car parking and access to the building. We believe that everyone should be treated with dignity and respect and be free from any form of bullying, harassment, or discrimination. This extends to our contractors, suppliers and visitors.

To support this, we have a zero-tolerance approach to bullying, harassment and discrimination. This means:

- **We'll not tolerate any form of bullying, harassment or discrimination, and we'll take responsibility to speak up if we see or experience it**
- **We'll treat all allegations seriously**
- **We'll always take appropriate, proportionate and timely action**
- **We'll learn from our experiences to help continually improve**

MAINTENANCE

IMPORTANT INFO ABOUT THE TOILETS

Please be aware that the toilets in Greystones House are to undergo a total refurbishment.

This work is due to begin in November and will continue throughout December, hopefully to be completed by our closure for Christmas.

The first floor Ladies and Gents rooms will be tackled first, and only when they are handed over will work begin on the

ground floor. As there is only one toilet with wheelchair access, we shall put a notice on the toilet door and in reception, as to when it will be unavailable.

There will be some unavoidable disruption during this period both within the House and car park. Skips will be positioned at the side of the ramp and contractors' vehicles may appear in the car park. We ask members to be patient during this time and make use of free parking on the Cliff Top car park, and on Waterford Road where necessary please.

NEWSLETTER EDITOR

Newsletter.editor@highcliffeca.co.uk

Last month we welcomed our second new sub-editor, Jan, who persisted despite some initial IT issues but which we think we may now have largely resolved. Thanks Jan. For November we welcome our third new sub-editor in succession, Hazel, to the 'challenge'. Good luck, Hazel. Due to these volunteers kindly stepping forward, we should be able to continue delivering the HCA Newsletter in its current form.

Don't forget – the newsletter would be even better with more contributions from members. If you have something you would like considered for publication in the newsletters, then the guidelines provided in previous issues tells you how. We very rarely turn contributions down!

TEA AND COFFEE SERVERY

Barbara (620811)

barbara.thacker@highcliffeca.co.uk

With Christmas approaching, a gentle reminder to any groups planning to have a social event involving use of the kitchen and/or Coffee Lounge. Please would they make sure that they speak to me to confirm dates and requirements. This is for health and safety reasons and to ensure the smooth running of the kitchen for all groups and to avoid clashes of dates and times.

There are several water bottles which are 'lost property' on the windowsill in

the kitchen. Please claim them if they are yours before they are discarded.

We have a number of recipe books in the kitchen. You are welcome to take one for a donation to Greystones.

Thanks to everyone, especially the wonderful band of volunteers, for their continual support of the kitchen. Volunteers are always needed if you can spare an hour or more a month.

Barbara

PUBLICITY

Janet Davies

Friday live is a very popular morning with music by various artists who come along to play/ sing for us. While our members meet up with their friends and have a chat over a tea or coffee with biscuits for £1.00, and on some occasions a little singalong and a dance.

The raffle which is £1.00 for 5 tickets is drawn at 11.10am followed by more music until 12pm

It's a lovely morning so thank you to those who come along to support us.

GENERAL INTEREST

Nu2U LADIES BOUTIQUE

The Nu2U shop needs your worn once or nearly new clothes that you can no longer wear. We can sell for 50/50 on your behalf, or you can donate 100% of the proceeds to Greystones.

Come and see us - opening times are listed on the poster at the end of the newsletter.

We need you to spend some money and buy something "new to you"

Use the lift or the stairs and we are there. **See you soon.**

LIBRARY CORNER

Hello everyone. Many thanks as always for all donations to the library. At the moment we only need:

- As new and latest fiction paperbacks
- 500 and 1000 jigsaws in good condition boxes
- Travel guides

I know that many of you would like to donate other items to the library but unfortunately due to lack of space we can only accept the most popular items that our members like to borrow.

Our travel guide section is growing, so if you are going on a foreign holiday come up and have a look, as why pay £20+ for a guidebook when you can borrow one for 20p!

Don't forget that you can borrow any items that are on any of our windowsills but please do not borrow from the baskets on the table or puzzles in the basket on the chair as I need to check these donations and returns into the library.

With the colder days and nights approaching there is nothing nicer than reading a good book or doing a jigsaw puzzle in the warmth and comfort of your home, so come up to the library to

see what is on offer to our Greystones members.

Regards, Barbara - Librarian

Section Leaders

We are struggling to find storage space to accommodate the new sections that have begun. Some are having to share with 3 other sections, while some sections have up to 3 storage cupboards for their sole use.

Could you, please, look through the contents of your cupboard to see if some space can be released for use by other sections. It's always good to have a clear out!

If you need any equipment for your group, please put a request in writing to the trustees – email or put a note in the "chair" file in the bottom drawer of the grey cabinet (where the registers are kept)

Meetings - 2.00 to
4.00pm Tuesday
Weekly, Room 1.

We hosted our professionally trained dance teacher, Adele, from Step In Time Dance, Bournemouth on 14th October, when she introduced the slow foxtrot and salsa dances.

In the alternate weeks Adele is not with us, we practise ballroom and Latin to our own abilities and also continue adding to our sequence dances.

Very friendly and informal. Only £1 per session! (+ £5 on the weeks Adele is with us). Best suited to regular dancers who would like to learn or practise some new moves, and those wishing to get back into dancing after a period out.

We have been low in numbers recently, so a few additional dancers are needed to allow the session to continue. Single dancers (both male or female) without partners are welcome, as we dance with each other. First session is a taster, so no need to join.

What an excellent speaker we had in October! Steve Herra, who had worked as a purser for Cunard, told us about Cunard, its history and glamorous stars. From the days when their ships had sails and took six weeks to cross the Atlantic, to today's modern ships and speedy crossings we learned so much. Of course, Steve's slides were superb. Another interesting talk has been booked for 14th November when Rosemary McCullough will take us behind the scenes at the BBC.

The clocks have gone back, and it is really starting to feel like winter with the dark evenings so why not join us playing Mahjong on Thursday afternoons. We just play for fun and don't score so it's easy to pick up if you haven't played before. We play the hands listed in "The Mahjong Player's Companion" book and have a copy you can borrow until you get your own or photocopy some of easier hands.

Some hands to try if you are dealt the right tiles are:

Dragonfly (page 31 in the book) – One of each dragon, a pung in each suit and a pair in any suit.

Red Waratah (page 34) – A pung of red dragons, a pair of green dragons with a pung in each suit.

Numbers in parallel (page 43) A pung and a pair of winds or dragons plus a pung in each suit, all of the same number but no 1's or 9's.

All these hands are exposed so if you have 2 of a particular tile in your hand you can say “pung” and pick up the 3rd tile if someone discards it thus making the pungs a bit easier to collect.

Urgently require more volunteer drivers. This is a much-valued service for those locals who can no longer drive themselves or use public transport to get to their medical appointments. There is no regular commitment, drivers are offered journeys which they can accept or decline, if not available. Drivers are reimbursed for their petrol expenses. Blood Test Appointments – Update

Following a consultation process between primary and secondary care (GP surgeries and the hospital), we are glad to let you know that **all required blood test appointments can now be offered here at the surgery**.

Blood tests may be requested during an appointment with a clinician, or you may receive an invitation from us as part of your **annual review** or **medication monitoring**.

If you are invited to book a blood test, please do so **as soon as possible** to help us keep your care up to date and reduce the need for follow-up reminders.

Please also remember to **cancel your appointment** if you can no longer attend or it is no longer required, so we can offer the slot to another patient.

Thank you for your patience and understanding while this service has been reviewed.

LONELINESS

Across our local area, several dedicated organisations continue to offer valuable support for those who may be feeling isolated — through social groups, creative activities, practical help, and friendly conversation.

Age Concern, Christchurch runs weekly Friendship Groups in Christchurch, Mudeford, and Burton. These offer a warm, welcoming space to enjoy activities such as bingo, live entertainment, guest speakers, and refreshments, while making new friends.

To find out more, call 01202 488311 or visit

www.ageconcernchristchurch.org.uk

Christchurch Community Partnership provides a range of activities including lunch clubs, coffee events, and seated exercise classes. They also offer community transport services and one-to-one support through their Community Connections team.

If you or someone you know is feeling lonely or would benefit from local support, you can contact the Social Prescribing Team through any of the Christchurch PCN surgeries — Highcliffe Medical Centre, Farmhouse Surgery, Christchurch Medical Practice or Stour Surgery. We're here to help connect you with the right services.

SUBMITTING ITEMS TO THE HCA NEWSLETTER

At a recent HCA Section Leaders meeting it became clear that not all members were fully aware of how to submit items (news, articles, photographs etc.) to the newsletter editors for inclusion in the newsletter. The 3 official methods are outlined below :-

1. The most popular method, and by far the easiest for the editors to process, is to email your item to newsletter.editor@highcliffeca.co.uk
2. If this is not possible for whatever reason, but the member has access to a word processor or can ask a friend or relation, then the item should be typed and then placed in the Newsletter folder in the bottom drawer of the grey filing cabinet adjacent to the side door at Greystones.
3. Not a preferred option, but if neither emailing nor typing are possible, then the editors will still accept hand-written items, which should also be placed in the newsletter folder in the filing cabinet.

This will of course necessitate the editors typing the copy for inclusion in the newsletter, but we are happy to do this on the few occasions when this is the only method available to a member.

Scams attack emotions, reputations, and finances.

- 78% of people encounter a scam at least once a week, with scams most frequently arriving through emails (65%), phone calls and voice mails (53%), and text messages (50%).
- Mobile scams – 36% of people have fallen victim to social engineering, 36% have suffered a malware infection, 17% have suffered an extortion scam.
- 25% of scam victims were blackmailed or harassed
- 19% had private information exposed
- 15% permanently lost money

How to report a scam:

- **Action Fraud:** Report online at actionfraud.police.uk or call 0300 123 2040 (Monday to Friday, 8 am to 8 pm). Action Fraud is the national reporting centre for fraud and cybercrime. It collects reports about fraud on behalf of the police.
- **Local police:** For urgent matters or ongoing threats, contact your local police. If the police decide not to investigate your case as a crime, you might still be able to get compensation or money back by bringing a civil case yourself. Talk to a solicitor or asset recovery agent to find out more.
- **Financial institutions:** Alert your bank or credit card company to suspicious transactions.
